

HOW TO FIND US

From the M69 and M1 South

From Junction 21 of the M1 and the M69, follow the dual carriageway to a roundabout and take the second exit on the A5460 Narborough Road towards Leicester City Centre, passing between fences at first. Follow this road for about three miles until it ends at a junction with the A47, King Richards Road. Turn right, passing the Holiday Inn, and keep in the right lane to turn right at the next traffic lights, following signs to Central Ring A594 South. Very soon take the next left (Peacock Lane) then almost immediately turn right to merge with the central ring road (A594) by the Magazine Gateway.

From the Magazine Gateway, the road sweeps left along Newarke Street and you should stay in the extreme left lane but nevertheless follow the main road where it turns right by the curved City Council offices. Pass a first road on the left (No Entry) and take the narrow second road on the left, Mill Street, signposted to the station. Turn right at the T-junction into Duke Street and left at the end into Regent Road. The Crescent is on the corner at the next traffic lights.

To reach Serjeants' car park, proceed through the traffic lights and turn left 20 metres later into Crescent Street. Turn left through a metal gate into the car park, where Serjeants has a limited number of spaces against the building near the far end. Enter the building through the central door and we are located on the second floor.

From the M1 North

Leave the M1 at Junction 22 and take the A50 towards Leicester. This is dual carriageway for about 7 miles but eventually becomes a quite narrow street, Northgate. Keep going straight on at the traffic lights and at the end of Northgate turn right on the inner ring road (A594). Still keep to the right so as to go through an underpass, emerging at the Magazine Gateway. From there, follow the same directions as from the M1 South.

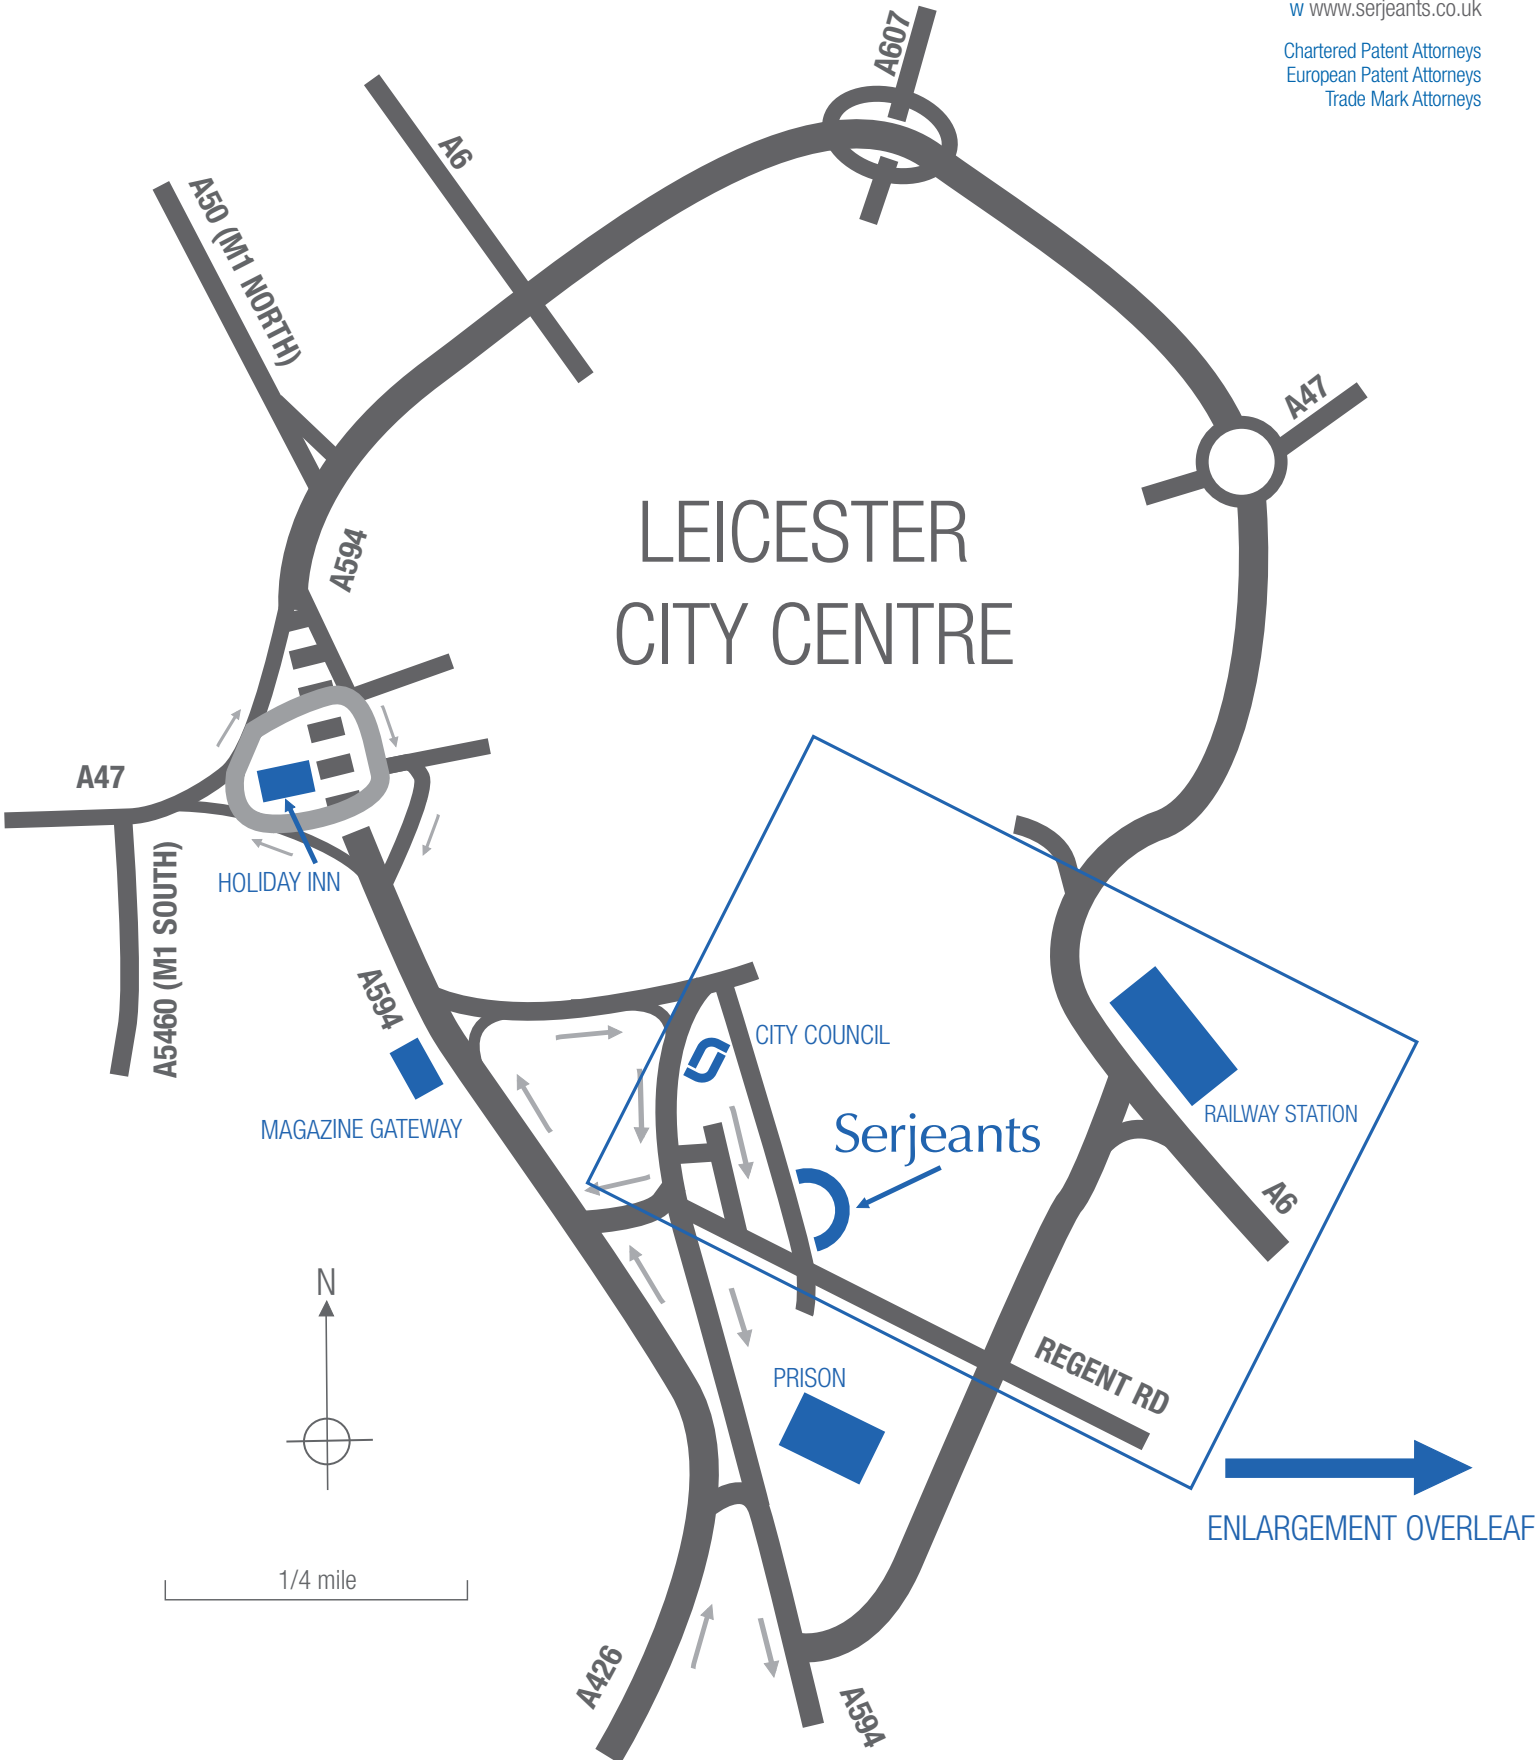

Walking from the Railway Station

On emerging from the station, cross the busy road and keep ahead along the right side of Waterloo Way, soon passing Albion Street. Turn right on New Walk in front of the Museum, then diagonally left across Museum Square. Follow Princess Road West to its junction with King Street. The Crescent is on your left. Take the central entrance and Serjeants' offices are on the second floor. (Distance: approximately 500m)
